## Standard PROJECTOR 500C GIVES YOU SHARP, CLEAR

## DAYLIGHT PROJECTION!

The 500-watt screen brilliance of the New Standard Projector assures sharp, clear pictures on the screen—even in undarkened classroom. Meets modern classroom conditions—teacher can see students, students can see to take notes.

Easy to use. *Directed* push-in threading. Quick positive framing action. *Micro-tilt* lets projector raise itself to desired height. *Picture-leveler* levels image on the screen regardless of uneven floor or table. Built-in *mechanical pointer* is operated at projector. Quick pull-out, push-in change from filmstrips to 2" x 2" slides.

Sturdily built for long life. New jet-style designing in rich two-tone "crinkle" finish. Comes complete with deluxe, richly covered, lift-off carrying case with fittings for slide changer, spare lamp, and space for filmstrips.
